

Draw your own Tomb Guardian

You have seen two different types of tomb guardians: human figures and composite animal figures. Now, create your own tomb guardian. Will your guardian have a human form or will it bring together different parts of scary animals?

Remember: Your tomb guardian needs to be strong and fierce to keep unwanted spirits out of your tomb and keep your tomb objects safe.

Tomb guardian, one of a pair
Place of Origin: China, Shaanxi province or Henan province
Historical Period: Tang dynasty (618-907)
Materials: Glazed earthenware
Credit Line: *The Avery Brundage Collection*
